Special Instructions: _____

Note: All orders must include this form along with the final quote and layout for this project. We will contact your customer directly to schedule a measure date. If the job is not ready for measure, be sure to call when it is ready!! Allow 15 business days for installation of the Quartz Surfaces. Uhlig Custom Counters, Inc. has no control over delays of material, or delays of fabrication. **Remember all quotes are subject to change upon final field measurements.**

I have reviewed the Quartz Surface product with my customer and have selected the above details. (If there are any changes made, a new Details Form will need to be completed!)
